- AED
- Resume Compressions

Infant CPR

- Assessment & Activation
- Infant Compressions
- Infant Breaths
- Complete Cycle of CPR
- 2 Rescuer CPR

Instructors of the appropriate discipline will evaluate each student for his or her didactic knowledge and proficiency in all core psychomotor skills of the course.

No AHA course completion card is issued without hands-on manikin skills testing by an AHA Instructor.

Completion of this form verifies that all students have been examined and verified as competent in all applicable skills for the AHA ECC program indicated.
